

Darlington County School District

Travel Liability Form

Please read thoroughly before signing

All students who ride the District designated transportation for athletic events and field trips generally are expected to return home via the same mode of transportation. However, parents who follow the bus may desire for their child to return home with them in their private vehicle.

If a parent desires to transport his/her child back home in a private vehicle, please note the following:

- Once the parent removes his/her child from the District-sponsored bus, Darlington County School District is no longer responsible for the student's supervision.
- Once the parent removes his/her child from the District-sponsored bus, the parent/adult designee assumes full responsibility for the child's supervision.
- If the student is to ride with an adult other than his/her parent, the parent must name the adult assuming responsibility in writing in the space provided below.
- Once the student is no longer the responsibility of Darlington County School District personnel, the driver of the privately owned automobile assumes all responsibility for the supervision and transportation of the student.
